

Mondelēz International and Fenix project

Mondelēz International is part of an EU funded project to develop the first European federated architecture for data sharing serving the European logistics community of shippers, logistics service providers, etc.

**Co-financed by the Connecting Europe
Facility of the European Union**

About Fenix project

FENIX will develop the first European federated architecture for data sharing serving the European logistics community of shippers, logistics service providers, mobility infrastructure providers, cities, and authorities in order to offer interoperability between any individual existing and future platforms. To find out more please visit <https://fenix-network.eu/>.

About Mondelēz International

Mondelēz International, Inc. (Nasdaq: MDLZ) empowers people to snack right in over 150 countries around the world.
